We have updated our sizing charts to more accurately reflect the body standards we build our product to fit, removing ambiguous ranges. The body standards we build product for have not changed, nor has the product. The information update will help to better navigate the Carhartt sizing systems and products. The additional body measurements given will set expectations for all consumers on how the bodies we designed the product for might vary from their own, including those wanting or needing to purchase across gender.

HOW TO MEASURE

Chest: Measure just under arms and across shoulder blades holding the tape firm and level. If your chest falls between sizes, order the next size up.

Arm Length: Measure from the center back base of the neck, over the shoulder and down the arm to the wrist bone.

Natural Waist: Bend side to side and find the natural bend in your body; this is your natural waist. **Note:** It may not be the smallest point.

Hip/Seat: Measure the fullest point between your natural waist and crotch.

Thigh: Measure around one thigh at the widest point.

Inseam: Measure from where the leg meets the body, to the bottom of the ankle bone.

For best results, measure over your undergarments.

STANDARD TERMS AND CONDITIONS OF SALE

These terms and conditions of sale (these “Terms and Conditions”) apply to all products (the “Products”) sold by Carhartt, Inc. (“Carhartt”), regardless of whether the Reseller purchases the Products through written purchase orders, orders conveyed via telephone or fax, electronic orders via Carhartt Direct or EDI or through any other means, except as otherwise specifically provided in a document signed by Carhartt. Carhartt’s order forms, together with these Terms and Conditions and any other documents expressly incorporated into Carhartt’s order forms, are referred to herein, and upon Resellers acceptance (as signified by submitting an order for Products), constitute the “Contract.”

Without limiting the preceding, and notwithstanding any terms or conditions on Resellers order or other writing, Carhartt’s Contract is an offer to sell Products subject to these Terms and Conditions of sale. Reseller can only accept this offer to sell by accepting, unconditionally, the express terms of the Contract, including these Terms and Conditions, which replace and amend in their entirety any terms and conditions contained on or referred to in any purchase order or other writing of the Reseller. Carhartt objects and rejects any proposal for additional or different terms or any attempt by Reseller to vary in any degree any of the terms of the Contract or these Terms and Conditions of sale, whether through issuing a purchase order or otherwise. In such case, no contract is formed, and Carhartt’s offer to sell is withdrawn.

PRICE; TAXES. Products shall be sold and invoiced at Carhartt’s prices and charges as agreed to in Carhartt’s quotation, order form, order confirmation or otherwise agreed to in writing by Carhartt and Reseller, and these prices are subject to change without notice. Prices do not include sales, excise, use or other similar taxes, or customs duties or tariffs, now in effect or hereafter levied by reason of this Contract or the transactions contemplated under this Contract, all of which shall be paid by Reseller, unless Carhartt expressly agrees otherwise. Such taxes shall be assessed by Carhartt against Reseller at the time of invoice unless Carhartt has received a valid exemption certificate or other similar evidence of exemption from taxation in a form satisfactory to Carhartt. Carhartt reserves the right to invoice such taxes at a later time if such exemption was or is asserted to be inapplicable or invalid, and Reseller agrees to indemnify and hold Carhartt harmless from and against any and all penalties, fines, or other liabilities associated with Reseller’s failure to pay taxes, duties, or other levies as required hereunder.

CREDIT APPROVAL

- (a) All sales are subject, at all times, to Carhartt’s credit approval of Reseller.
 - I. All Future Orders must receive credit approval up to 60 days prior to selected ship date.
 - II. All At Once Orders must receive credit approval upon receipt of order.
- (b) If Carhartt does not receive the credit approval for the order within the time periods specified above, it reserves the right to cancel the order based on Reseller inability to obtain credit approval or make payment arrangements within the defined period of time.

PAYMENT TERMS; NO SETOFF; DROP SHIP FEE

- (a) Payment terms are net 30 days from date of invoice when an order is shipped within the continental U.S., and net 60 days from the date of invoice when an order is shipped to Alaska, Hawaii, or Canada. Reseller shall not be entitled to deduct, counterclaim or setoff against the purchase price or any other amount owing under this Contract any claim or alleged claim arising out of this Contract or any other transaction with Carhartt. Reseller shall not make any unauthorized invoice deductions.
- (b) If payment is not received by the due date, a service charge may, at Carhartt’s discretion, be added at the rate of 1½% per month (18% per year) or the maximum legal rate of interest, whichever is less, to unpaid invoices and other unpaid amounts from the due date thereof. If Carhartt retains a collection agency and/or attorney to collect overdue amounts, Reseller shall pay all collection costs, including attorneys’ fees, upon Carhartt’s demand.

DROP-SHIP. Carhartt’s drop ship policy is currently under review and will be provided at a later date. The following requirements are in effect until the updated policy is posted on Carhartt Direct (direct.carhartt.com).

DROP-SHIP AND WEB ACCOUNT FEE. For each drop ship order placed via call or fax, Reseller will be charged the regular rate of \$7.50. For each drop ship order placed electronically through Carhartt Direct or EDI, Reseller will be charged a reduced rate of \$2.50. Carhartt reserves the right to change the drop ship fee at any time, without notice at its sole discretion.

- All retail web accounts must provide a FedEx or UPS account number that will be used and charged to ship all freight collect orders under \$500.
- All retail web accounts will be set up to ship with a customized packing list and shipping label that shows the Reseller account name and address as the shipper.
- All consumer returns will be shipped back to the Reseller. The Reseller will contact Carhartt for a Return Authorization.
- Carhartt will drop ship within the 50 United States only. We are unable to ship to P.O. boxes and we do not verify addresses for correctness. Carhartt reserves the right to modify this policy and to suspend drop-ships entirely at any time. All web account orders will be subject to the policy as in effect at the time the order is submitted to Carhartt.

INTERNATIONAL DISTRIBUTION. No distribution of Carhartt Products outside of the United States is permitted without express, written permission from Carhartt.

FREIGHT. Reseller is responsible for freight charges on all orders, including back orders, totaling less than \$500. Freight will be paid by Carhartt on any backorders where the total of the original order exceeds \$500. Reseller is responsible to pay for freight on all irregular and closeout orders. Carhartt shall incorporate all freight charges in its invoice where freight billing instructions are not provided in advance of order placement. All exceptions to the standard routing requirements or freight billing instructions must be communicated to and approved by the Carhartt sales representative or the vendor compliance team at vcompliance@carhartt.com. Carhartt will not be responsible for any freight charges which are prepaid and added to invoice when routing instructions are submitted via purchase order along with request for goods. Carhartt will pay the freight on qualifying orders of \$500 or more with a single delivery date to one point in continental U.S. Alaskan shipments that qualify for prepaid freight must adhere to the following requirements: (a) must be direct to store shipments; (b) must be orders for current season, first-quality Products (no closeouts or irregulars); and (c) orders must be a minimum of \$1,000 (per ship date). Hawaii shipments qualifying for prepaid freight are F.O.B. California. All other orders are F.O.B. Hanson, Kentucky or Memphis, TN. In all cases, fees for special services or expenses charged by the freight company are Reseller's responsibility.

DELIVERY. Carhartt shall not be liable, directly or indirectly, for any delay, failure or inability to perform or deliver, including without limitation where such delay, failure or inability arise from any cause beyond Carhartt's control or beyond the control of its suppliers or contractors, including, but not limited to, strike, boycott or other labor disputes, embargo, governmental regulation, inability or delay in obtaining materials. In the event of any such delay or failure to perform, Carhartt shall have such additional time within which to perform its obligations under this Contract as may reasonably be necessary under the circumstances. Carhartt reserves the right to ship orders up to 15 days in advance of the requested delivery date.

LIMITATION OF CARHARTT'S LIABILITY. Carhartt shall not be liable to Reseller for any loss of use, revenue, or anticipated profits, or for any incidental, consequential, indirect, special, contingent, exemplary, or punitive damages in connection with any breach of warranty or other breach of Carhartt's obligations under or in any way related to this contract, even if Carhartt has been advised by Reseller of that possibility and regardless of whether those damages were foreseeable.

CLAIMS FOR PRODUCTS LOST OR DAMAGED IN TRANSIT. Should you find it necessary to request a claim, contact Carhartt's Customer Service Department at 1-800-358-3825. All claims for Products lost or damaged in transit, for shipments of Products that have defects that are obvious on a visual inspection, and claims for errors or shortages must be made within 30 days of the delivery date of the Products. Carhartt reserves the right to deny claims not filed within this time period.

In the event an original invoice or purchase order cannot be provided, Carhartt will still provide a Return Authorization Number (subject to conditions herein) and any approved credit will be given using current pricing. Return Authorization Numbers are only valid for 60 days on the items specified. A restocking fee of 15% may apply. Cartons containing returns may not weigh more than 40 lbs.

COUNTRY OF ORIGIN. Country of Origin is subject to change without notice.

DISTRIBUTION POLICY. Carhartt wants to ensure that Carhartt Products are sold only by approved Resellers and only to the designated consumer. This applies to closeout and irregular Products, as well as first-quality merchandise. Carhartt does not sell Products to purchasers who accumulate, or assist in the accumulation of, Carhartt Products for resale or transfer from an approved location to an unapproved location without express, written permission from Carhartt. It is the policy of Carhartt to provide Products exclusively to authorized and approved specific locations ("Approved Retail Location"). Carhartt requires Resellers who are changing location, changing ownership, opening a new retail location or growing through acquisition of another company to obtain written approval from Carhartt in order to initiate shipment of Products to the new entity.
